KING COUNTY CERTIFICATE OF WATER AVAILABILITY
WOODINVILLE WATER DISTRICT**

The following terms and conditions apply to the King County Certificate of Availability.

1. This Certificate of Water Availability is valid only for the real property referenced herein, which is in the District's service area, for the sole purpose of submission to the King County Building and Land Department and/or the Seattle/King County Department of Public Health. This Certificate is between the District and the applicant only, and shall not be assigned or transferred by any party without the prior express written consent of the parties, such consent not to be unreasonably withheld. Further, no third person or party shall have any rights hereunder whether by agency or as a third-party beneficiary or otherwise.
2. This District makes no representations, express or implied, that the applicant will be able to obtain the necessary permits, approvals, and authorizations from King County or any other governmental agency necessary before applicant can utilize service which is the subject of this Certificate.
3. As of the date of the issuance of this Certificate, the District has water available to provide such utility service to the property which is the subject of this Certificate, and the utility systems exists or may be extended by the applicant to provide service to such property. However, service at a level consistent with the water system plan of the District and meeting the District's standards may require improvements to the District's water system. The issuance of this Certificate creates no contractual relationship between the District and the applicant, and the issuance of this Certificate may not be relied upon and does not constitute the District's guarantee that water will be available at the time the applicant may apply to the District for such service.
4. Application for and the possible provision of District utility service to the property which is the subject of this Certificate shall be subject to and conditioned upon the availability of water service to the property at the time of such application, as well as all federal, state, and District laws, ordinances, policies, and regulations in effect at the time of such application for utility service.
